

ANNUAL REPORT

2018-19

Good morning and a warm welcome to our college day celebrations.

I am privileged to present you the annual report of Krishnasamy College of Science, Arts and Management for Women for the year 2018-19.

Our college was established by Krishnasamy Reddiar Educational Trust to educate the women folk of Cuddalore district during 2007-08 with 53 students. Now, the student's strength has grown to 1743 under 9 departments in which 3 had upgraded into research departments. A feather was added in the cap, when our institution was recognized under section 2(f) of UGC in 2013. We have entered into the National Assessment and Accreditation (NAAC) process by submitting the IIQA on 7th March- 2019. Our guiding spirit, Mr.Anand Rajendiran is fondly remembered for his tireless effort for reaching the height where this institution stands today.

Academic achievements:

We enjoy a dedicated team of faculty members which leads to a proud achievement of university rank and higher results. We felicitate our students who have achieved ranks in Thiruvalluvar University during 2017-18.

Seminars & Events:

It is often said that college days are the golden period in one's life time. It is true. We get super caring teachers who guide the students in every situation, academic and non-academic, with personal counseling and life skills. It is proudly appreciated that every department of the college has conducted national level workshops/seminars with eminent resource persons from all over India. Participants from various higher educational institutions were benefitted.

As the true goal of education is to build intelligence plus character, the usage of ICT tools enables our teachers to enlighten our students in all fields. The National Digital Initiative by the Central Government is supported by us through setting up a local center for NPTEL in our institution with the active participation of the staff and the students.

Inter departmental quiz programme, Intramural sports competitions, cultural competitions and rangoli competition were also conducted. National literacy day, National youth day, Ozone day, Ramanujan day, Science day, Library week etc. were celebrated by organizing various competitions to our students.

Bravura – an exhibition cum sale is organized by our students, as a motivation to entrepreneurship. Through our students' consumer club, students are encouraged to develop their sharing humanitarian sense by providing their personal articles to the needy students.-----

We have initiated MoU with the Government central library, Cuddalore for the exchange of knowledge resources which is the first of its kind in Cuddalore district. We also have MoU with various industries and educational institutions. We have motivated the students through visit to various industries, educationally important places like Birla planetarium, Chennai, Science planetarium and French library, Puducherry etc. Our students from M.Sc., Chemistry have attended summer internship programme in Madras University.

We have initiated also the skill development hour for all the students everyday based on their interest and individual talent. Students are taught various life skills like tailoring, yoga for physical and mental health, art work etc. within the college hours , which is also the first of its kind in the district.

Various library activities like -----are initiated and book/newspaper reading practice is enhanced for all the students.

All the students are given the basic computer knowledge through digital literacy programme by the department of computer science. A separate medicinal garden is initiated by the department of chemistry. A Flash mob was organized by the students of business administration which is the first of its kind in the district. Ezhu---, a handwritten monthly magazine is released by the students of Tamil . Paavai---- , provides a platform for the students of Tamil to revive our tamil culture through various activities.

Career guidance and E-cell:

A varied exposure is given to the final year students through our placement cell to groom themselves to face the challenges of the work environment. A career counseling programme was conducted in co-ordination with Getek, for all the final year UG and PG students. Skill Saathi – Awareness programme on government placement schemes was conducted in co-ordination with ICT Academy for all II and III year UG students. A registered Entrepreneurship cell (E-cell) is actively functioning in the college through which the interested students are motivated by various programmes.

Social responsibilities:

NSS, RRC and YRC units are functioning in our college through which the following programmes were conducted in the academic year 2018-19.

Blood donation camp with participation of 60 students

Training on yoga for physical and mental health

Breast feeding week celebration

Human rights awareness

Road safety awareness program

Inter-generational bonding awareness

Tree sapling plantation in the NSS adopted village

The Electoral club provides awareness to the students and the public people through various programmes.

Our teaching staff members give an equal tough competition in producing the list of academic achievements. To consolidate, all our staff members have participated in state level, national and international conferences conducted by higher educational institutions. They have also published research articles in national and international journals.

We extend our deep gratitude to our Chairman, Secretary, Trustees, CEO and Executive Director for their immeasurable guidance & unwavering support in all our activities. Above all, we thank the almighty for his blessings that enabled us to cross another milestone successfully.

Thank you one and all.
