Report on Pakirvom Magizhvom - 2018-19

The Consumer Club is delighted to report on the Pakirvom Magizhvom program, held on September 8, 2018, at KCSAMW College. The programme was initiated by the Principal Dr. (Mrs.) G. Nirmala. This annual event, coordinated by Mrs. E. Septima, Assistant Professor of English, and Dr.(Mrs.) S. Malini, Assistant Professor of Tamil, is dedicated to supporting the underprivileged in our community. Each year, the program receives overwhelming support from both staff and students, and this year was no exception. We successfully collected a significant amount of clothing, household items, and non-perishable food, all of which will be distributed to those in need, positively impacting their lives. In addition to collecting donations, our students visited a blind school at semandalam in Cuddalore to share food items with staff members. The blind students exhibited their talents by dancing and singing. Our staff members and 32 students were participated in a plastic awareness rally. These activities provided the students with valuable experiences, teaching them the importance of empathy, community service, and environmental responsibility. We extend our heartfelt gratitude to everyone who participated in this year's initiative. Our generous contributions and unwavering support have made a real difference, showcasing the spirit of giving and community that KCSAMW College embodies.
