

7.1.10 Locational Advantage And Disadvantages

Krishnasamy college of science, arts and management for women, cuddalore is well connected by roadways from the main places of Tamilnadu.

The location of the institution makes it accessible for students from other institution, resource persons for various seminars, social activists from various organisations to hold various programmes in the college. Nearby marked places such as Primary Blind school, Old age home, Sugar factory and Neyveli Annual Book Fair are visited by our students. The easy reach of the institution promotes the conduction of government examinations, other university examinations and Government exhibitions in the campus.
