

Krishnasamy College of Science Arts and Management for Women

Feedback Analysis Report -2021-2022

The feedback was personally collected from the students and the suggestions has been taken from the stakeholders by the committee members. Further action is discussed with departments and authorities. The decisions taken by the authorities are forwarded for action to be initiated.

The following points are observed and make suggestions to appropriate bodies so as to initiate the action for improvement.

- Student's interaction with industries should be increased.
- More activities to be conducted for personality development.
- Updating of digital facilities availability can be improved in the college.
- Internships/Project works have to be increased.
- Syllabi be made more relevant as per the requirement of the industry.
- The College Campus should be digital and more effective Wi-Fi
- The frequency of Group discussion can be increased.
- Library hours can be increased.
- To make curriculum more effective, Add-On courses can be initiated.

Action taken Report

- As per Students requirement Library hours is increased.
- Recommended to the Board of Studies to update the syllabi as per industry requirement.
- Suggestion has forwarded to the management to increase the strength of broad band.
- Group discussion and add on programs has been discussed in Hod's meeting and proper direction was given to the staff members.
