

## ANNUAL REPORT

2021-22

Good morning and a warm welcome to our college day celebrations.

I am privileged to present you the annual report of Krishnasamy College of Science, Arts and Management (KCSAM) for Women for the year 2021-22.

Our college was established by Krishnasamy Reddiar Educational Trust to educate the women folk of Cuddalore district during 2007-08 with 53 students with the affiliation from Thiruvalluvar university, Vellore. Now, the student's strength has grown to 1633 under 10 departments with 6 PG departments with the affiliation of Annamalai university, Chidambaram from this academic year. Our institution was recognized under section 2(f) of UGC in 2013. A feather was added in the cap, when the institution was accredited with B grade by NAAC in 2019. Our guiding spirit, Mr.Anand Rajendiran is fondly remembered for his tireless effort for reaching the height where this institution stands today. We owe our gratitude to our academic advisor Mrs.Kasthuribai Baskaran, former principals Dr.Mrs.Ramani Rabindran, Dr.Mrs.Ramarani and Dr.Selvi for their guidance in raising this institution.

### **Academic achievements:**

We enjoy a dedicated team of faculty members which leads to a proud achievement of 72 university ranks till date and higher academic results of 95 – 100% in all the disciplines. It is proudly appreciated that every department of the college has conducted national level workshops/webinars in online mode with eminent resource persons from all over India. Participants from various higher educational institutions were benefitted. An international webinar was organized

by the PG department of Tamil in which the eminent speakers and participants were from India, Srilanka and Malaysia. In the national science day celebrations organized by the department of Chemistry and Physics, the participants were benefitted by the invited talk by the eminent speaker from Malaysia.

### **Pathway to holistic development:**

It is often said that college days are the golden period in one's life time. It is true. We get super caring teachers who guide the students in every situation, academic and non-academic, with personal counseling and life skills.

As the true goal of education is to build intelligence plus character, the usage of ICT tools enables our teachers to enlighten our students in all fields. The National Digital Initiative by the Central Government is supported by us through setting up a local center for NPTEL in our institution with the active participation of the staff and the students.

Inter departmental quiz programme, Intramural sports competitions, cultural competitions and rangoli competition were also conducted. National literacy day, National youth day, Ozone day, Ramanujan day, Science day, Library week etc. were celebrated by organizing various competitions to our students.

Bravura – an exhibition cum sale is organized by our students, as a motivation to entrepreneurship. Through our students' consumer club, students are encouraged to develop their sharing humanitarian sense by providing their personal articles to the needy students under the scheme 'Pakirvom Magizhvom'.

We have initiated MoU with the Government central library, Cuddalore for the exchange of knowledge resources which is the first of its kind in Cuddalore district. We also have MoU with various industries and educational institutions. We have motivated the students through visit to various industries, educationally important places like Birla planetarium, Chennai, Science planetarium and French library, Puducherry etc.

We have initiated also the skill development hour for all the students everyday based on their interest and individual talent. Special coaching for TNPSC NET, SLET and other competitive examinations were given to the aspiring students. They are taught various life skills like yoga for physical and mental health, art work etc. Various library activities like Neradi thodarbil, Vasippai nesippom are initiated and book/newspaper reading practice is enhanced for all the students.

All the students are given the basic computer knowledge through digital literacy programme by the department of computer science. Ezhugnairu, a handwritten magazine is released by the students of Tamil . Paavaiyar koodal provides a platform for the students of Tamil to revive our tamil culture through various activities.

### **Career guidance and E-cell:**

A varied exposure is given to the final year students through our placement cell to groom themselves to face the challenges of the work environment. A registered Entrepreneurship cell (E-cell) is actively functioning in the college through which the interested students are motivated by various programmes. Various certificate courses like water treatment and analysis, self sustainability,

apiculture, mushroom culture, basics in computer, and personality development are offered for knowledge enhancement.

### **Social responsibilities:**

NSS, RRC and YRC units are functioning in our college through which the following programmes were conducted in the academic year 2018-19.

Training on yoga for physical and mental health
