Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

- a) _____
- b) _____
- c) _____

Overall analysis and result of the survey:

Every student has taken part in the survey. The academic part of the college has been appreciated by the students. Above 90% of the students are satisfied with the coverage of the syllabus. The students are satisfied with the faculties preparation of study materials for the class and their way of communication. The internal examination is conducted for the students and the evaluation process is always done fairly by the faculty. Always fair way of approach to the students and making them to improve their performance in assignments is transparently done. The academic activities includes preparation of faculty in subjects, giving real examples, mentoring, motivation of students, conducting department seminars, workshops, conferences, guest lectures, using ICT resources and smart classes. Through mentor system the unique of student is identified and faculties encourage them to take part in other activities. The students also take part in extracurricular activities like expo, cultural, sports and take part in other college competitions. The institution further supports for regular field visit, internship, industrial visit and certificate courses. The institution also serve its social responsibility by making the students to take part in blood donation camp, tree plantation and other environmental activities. The institution conducts "bravura" an entrepreneurial amusement, every year to bring out the hidden skills of the students, this event exposes the inventive artistic and innovative ideas of the students related to entrepreneurship.

Report of the survey:

The students strongly agree with the statement that the quality of teaching learning process is very good. Based on the feedback from students more guest lectures, group discussions and real time concepts experience will be increased in future.
