20. The overall quality of teaching-learning process in your institute is very good.

4 – Strongly agree	3 – Agree	2 – Neutral	1 – Disagree	0 – Strongly disagree
--------------------	-----------	-------------	--------------	-----------------------

Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

- a) _____
- b) _____
- c) _____

Overall Analysis and Report of the Survey:

Students have to respond to all the questions given in the above format with her sincere effort and

thought through Google form. This survey is being conducted to upgrade the quality in education.

- In overall above 90% students strongly agree with the statements that the quality of teaching learning process is very good in the institution.
- The students accept the evaluation process done by the faculty members are always fair and transparency in all internal assessment examinations.
- The institution regularly takes the necessary steps in promoting the students in field visit, workshop, seminars and conferences in non academic activities.
- As suggested by the students more efforts will be taken by the institution to inculcate employability skills, communication skills to make them ready for further developments in their lives.
- Department wise student performance analysis done by the head of the departments and the necessary measures and actions are taken for student developments.

Observation / suggestions to improve the overall teaching – learning experience in the institution as follows:

- Overall the way of teaching is good
- Good infrastructure
- Interacting with students daily.
- Usage of ICT can be increased.
- Internship must be encouraged.
