### **LANGUAGE LABORATORY REPORT**

English is a language of opportunities and it plays a vital role in securing a desirable employment. Good communication skills are indispensable for the success of any professional. Accuracy and fluency in the use of language are very essential. Technology- aided learning has started playing a significant role in the pursuit of language learning.

The Language Laboratory aims at facilitating the learners to gain mastery in the use of English. The laboratory is well equipped with software package for training the students. The language laboratory is very helpful in language teaching as well as developing interactive and group communication skills in an effective manner. The students are given training in communication, confidence building, career development, report writing, resume writing and self-awareness. The Faculty Members who handle General English take the students once in a month to initiate Language Lab and will have follow-up sessions on a regular basis once in a month. Around 500 students from first year and 300 students from second year from various departments were the beneficiaries of language laboratory Hence, the language lab allows for diversity in the classroom. It also provides practise to the students in an entertaining and interactive way to acquire the four main language skills: Listening, Speaking, Reading and Writing. The students watched videos to practice their pronunciation through a speech recognizer; learn new vocabulary and much more. Lab activities proceeds to self guided independent learning where the students can individually focus and practice on language skills. It helped the students to use multimedia facilities to better their language skills. □ It helped the students to enrich the vocabulary. □ It facilitated the students to shed fear and anxiety while using English and to overcome their Mother Tongue influence.
