Department of Physics

Activity ODD Sem 2026 – 2027

National Space Day Celebration

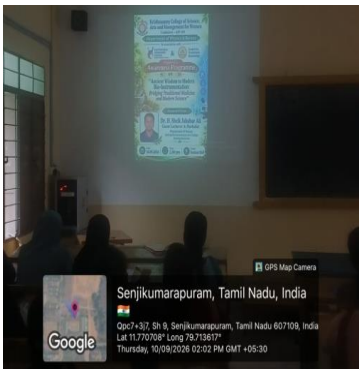

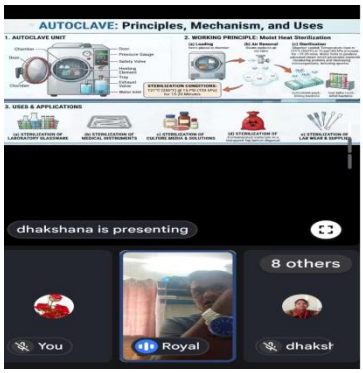

The Department of Physics organized the **National Space Day Celebration 2026** on **21 August 2026**. Various activities were conducted for the students, including PowerPoint Presentation (PPT), Poster Presentation, Essay Writing, Model Display, Space Science Quiz, and Documentary Video Presentation**.** Students actively participated in all the competitions and showcased their creativity, knowledge, and scientific skills. The winners were awarded certificates and prizes in recognition of their achievements. The programme encouraged students to develop scientific curiosity, enhance their knowledge of space science, and aspire to contribute to the advancement of science and technology.

Awareness Programme

“Ancient Wisdom to Modern Bio-Instrumentation: Bridging Traditional Medicine and Modern Science.”

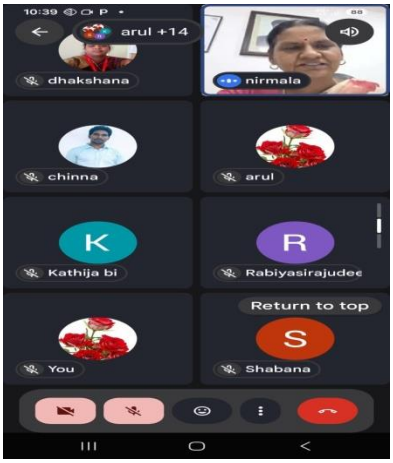

The Department of Physics and Botany jointly organized the programme **“Ancient Wisdom to Modern Bio-Instrumentation: Bridging Traditional Medicine and Modern Science”** on **10.09.2026 at 2.00 p.m.** The programme provided an interdisciplinary platform for students to understand the connection between traditional medicinal knowledge and modern scientific developments.

Webinar

“Significance on Einstein’s Equation”

The **Department of Physics** organized a special programme to commemorate **E = mc² Day**, with the theme **“Significance of Einstein’s Equation”**, on **10.09.2026 at 2.00 p.m.** The programme created awareness among students about the scientific importance and wide-ranging applications of Einstein’s famous mass–energy equivalence equation.

“Dr. A.P.J. Abdul Kalam Birth Anniversary Celebration”

The Departments of Physics celebrated the birth anniversary of Dr. A.P.J. Abdul Kalam on 15 October. The celebration created awareness of Dr. Kalam’s achievements and inspired students to follow his values and strive for excellence in their academic and personal lives. The programme concluded with a renewed commitment among students to pursue knowledge and contribute to the progress of the nation. The celebration served as an inspiring occasion for the students of Physics and Chemistry, encouraging them to develop scientific interest, pursues their ambitions, and contributes positively to society.

“Ayudha Pooja Celebration”

The Ayudha Pooja celebration **on 16 October 2026 at 12.00 p.m** organised by the Department of Physics was a meaningful occasion that combined tradition with academic responsibility. The ceremonial lamp lighting by the Principal Madam marked an auspicious beginning to the celebration. The programme reinforced the values of gratitude, respect, discipline and care for laboratory resources, contributing to a positive and culturally enriched learning environment.
