

Institutional Distinctiveness

Education, Discipline, and Exaltation are the mottos of our college. The distinctiveness of our Institution lies in its exceptional academic experience, which offers its students various curricular, co-curricular, and extra-curricular platforms and opportunities to mould their unique thought processes, problem-solving skills, and overall world view. The college receives the majority of admissions, which is indicative of the tireless efforts unique to its goal. The student's achievement of University ranks in each academic field, totalling 93 University ranks and 9 gold medals since its inception, sustains educational Excellence.

The College provides an opportunity for frequent visits to the district library and Industry for the students and conducts training for college students performing for the NET/SLET/TNPSC examination, which is a good way to pursue higher education. During the pandemic period, the institution faced the challenge of continuing teaching and evaluation in accordance with their academic calendar.

Every year, the college organizes "Bravura", an entrepreneurial spectacular, to reveal the students latent skills. The institution offers skill-based certificate courses that enable students to pursue entrepreneurship. The institution's distinctiveness is highlighted through the computer literacy program and Neradi Thodarpil, where the students are skilled in computer education and promote healthy reading habits.
