The World's Famous Equation-“ $E=mc^2$ Day”

Date: 27.9.2022

Venue: Seminar Hall

- The world's most famous equation $E=mc^2$ day was organized by the department of Physics on 27.9.22 at 11.00 Am.
- The session started with a welcome address by Dr.R.Bhuvaneshwari, Assistant Professor of Physics.
- Our college Principal Dr.Mrs.G.Nirmaladelivered the presidential address.
- Students should feel happy and pride in studying science and the importance of science in everyday life are some of the key points of presidential address.
- Students of III B.Sc Physics created and displayed a documentary about the “Life of a genius-Albert Einstein”.
- II B.Sc Physics students presented a role-play about the topic “ Fundamental Physics concepts with real time examples”
- Intra department quiz competition was conducted with three rounds
Round I-Multiple Choice questions
Round II-Connections (Using pictures to find the words)
Round III-Identifying the name of the scientist using clues
- Ms.T.Soumiya,Ms.B.Rajapriya (III Physics) and Ms.SriharshiniBabu (I Physics) are the winners of the quiz competition

- “Questions to the audience” were conducted to encourage the interaction between the student participants.
- Students feedback about the session were recorded
- Session was interesting, simplified explanations of scientific concepts, role of science in daily life were understood are some of the feedbacks from the participants.
- Session ends with a vote of thanks by Dr.D.Devika, Assistant Professor of Physics.

National Science Day 28th February 2023

Date: 28.02.2023

Venue: ELECTRONICS LAB

- The National science day was organised by the department of physics on 28.02.2023 at 2.00pm
- Dr. D. Shoba, Assistant professor Department of physics gave a talk about Sir. C.V. Raman, Raman Effect and application of Raman Effect, through power point presentation.
- Then quiz competition was conducted among the department students of all the years. The students were grouped into three. Among the three groups questions were displayed in ppt. one group is selected as winners. Certificates were issued.
- A connection game (Using pictures to find the physics words) is conducted for the same group of students and selected one group as winners and prize is distributed Department students were participated in the poster presentation. Students are presented their views about the Raman Effect and its applications. Best three presenters were selected. Certificates were issued.
- Students should feel happy and they known the concept of Raman Effect and its applications.
- Finally Dr. Mrs. G. Nirmala Principal gave the valedictory about the science day celebrations.

- The National seminar day was organized by the department of Physics on 8.3.2023 at 11.00 AM.
- The session started with Thamizh Thai Vazhthu and a welcome address delivered by L. Sarumathi, student of 3rd B.Sc., Physics.
- Dr. D. Shoba, Assistant professor department of Physics introduced the invited speaker Dr. S. Periyandi, Associated Professor, Kanchi Mamunivar Government Institute of post Graduate Studies and Research.
- Dr. Mrs. G. Nirmala Principal honored the invited speaker by memento and bouquet.
- Dr. Mrs. R. Hemalatha, Science Coordinator, gave a invited talk about the seminar.
- Our college Principal Dr. Mrs. G. Nirmala delivered the presidential address.
- Invited speaker delivered a topic on “Electronic Transition in Molecule” in power point presentation.
- Students of I, II & III B.Sc., Physics enjoyed the lecture and interact with invited speaker and cleared their doubts.
- In session II started with oral presentation of our department student.

- Final year students are participated in oral presentation and presented the various topics on nano science and technology, crystalline material, nuclear materials, applied nano materials & semiconductor and photovoltaics. Three prize winners were selected by the judges.
- Second and first year students were participated in poster presentation and presented a poster in various topics like solar energy, thin film, material science, condensed matter physics, nano-science, thermal energy, semiconductor and polymers . Three prize winners were selected by the judges.
- In session III valedictory about the seminar was given by Our College Principal Dr. Mrs. G. Nirmala, after that certificate for the prize winners were distributed.
- Ms. T. Soumiya, student of 3rd B.Sc., Physics delivered the vote of thanks.
- Finally the seminar ended with national anthem.

Shakespeare's Day

***Krishnasamy College of Science, Arts
& Management for Women, Cuddalore.***

***English Language Day is observed annually on the 23rd April.
The event was established by UN's
Department of Public Information in 2010
"to celebrate multilingualism and cultural diversity".
For the English Language Day, April
was chosen because it is the date
"traditionally observed as both
the birthday and date of death of
William Shakespeare" (26 April 1564 – 23 April 1616).***

Department of English
