**Feedback from the stake holder for the last five years:**

The institution collects feedback from various stakeholders such as students, faculty, alumni and parents. The feedback process is completed by the end of the academic year from all stakeholders in pre prepared formats by IQAC. IQAC communicates the feedback to the Head of the Departments to take necessary actions in the department level. Most of the grievances regarding the curriculum are addressed in the college level. For further actions the issues are forwarded to the university BOS for the course design and restructuring are done at the university level. Suggestion related to campus was noted by the IQAC, HODs and discussed with the principal, Management and action was taken.
