

Library activity 2023 - 2024

Report

1. The department of chemistry organised the library activity from 01.03.2024 to 15.03.2024 about the Topic “ Human Relationship (Home & Career)”.
2. Students and faculty of chemistry department beautifully expressed the importance of relationships through their speech.
3. Students gave the mini speech about the Topic “ Human Relationship (Home & Career)” in the library at 1.00 p.m daily. Other department students inside the library at that time were benefited.
4. Department Head Dr. R.Hemalatha and department faculty members delivered to speech in other department classes about the topic “ Human Relationship (Home & Career)” daily at 3pm. It is a new effort taken our department ,students prepared different type slide for home relation & career relationship and also make the video for above topic.
5. Every day students & staff whatsapp group send the video & slide for human relationship & career relationship.
